December 29, 2022

Dear Recruiters,

I am writing to express my interest in the [Position] at [Company]. As a Research Engineer at Autonomous Vehicle and M.tech Coursework from Indian Institue of Science, Bangalore , I believe I would be a strong candidate for this role.

I am excited about the opportunity to join [Company] because of my interst in research. I am particularly drawn to the company's mission of [Company Mission] and believe that my skills and experiences align well with this goal.

In my previous roles, I have gained skills of, Optimal control(LQR, iLQR, MPC), Deep Neural Network, Machine laearning. I am confident that these skills would be valuable in contributing to the success of [Company].

Thank you for considering my application. I am eager to learn more about the [Position] and how I can contribute to the team at [Company]. I look forward to the opportunity to discuss my qualifications further in an interview.

Sincerely,
Rakesh Kumar
